Resources

Where to Order or Download Publications

**Team Nutrition**
Team Nutrition, an initiative of the United States Department of Agriculture’s Food and Nutrition Service, supports national efforts to promote lifelong healthy food choices and physical activity by improving the nutrition practices of the Child Nutrition Programs. We provide resources to schools, child care settings, and summer meal sites that participate in these programs.

All Team Nutrition resources are available on the Team Nutrition Web site ([TeamNutrition.usda.gov](https://TeamNutrition.usda.gov)). Schools, child care providers (centers, sponsors, and day care homes), and summer meal sites that participate in USDA Child Nutrition programs may request free printed copies of certain materials. Printed materials may also be requested by the State agency administering the USDA Child Nutrition programs and school districts. Eligible entities may request printed copies using our online order form ([https://pueblo.gpo.gov/TN/TNPubs.php](https://pueblo.gpo.gov/TN/TNPubs.php)).

For more information about Team Nutrition visit our website at [TeamNutrition.usda.gov](https://TeamNutrition.usda.gov) or contact:

**Institute Of Child Nutrition (ICN)**
The Institute of Child Nutrition (ICN), located at the University of Mississippi, is committed to improving the operation and quality of all Child Nutrition Programs. This is accomplished through staff development programs, training experiences, educational materials, and a national satellite network. The institute is the only federally funded national center dedicated to applied research, education and training, and technical assistance for child nutrition programs. It is funded by a grant from USDA’s Food and Nutrition Service.

For information on food service, food preparation, meeting the Dietary Guidelines, food safety or available videos and training packages, visit the website at [https://theicn.org/](http://https://theicn.org/) or contact:
